I felt myself grow in confidence after I had met each personal challenge (a lot for me), I had my meltdowns and got back up again. What I experienced was complete confidence and trust that I was being encouraged and supported in my endeavour to become a better me. I know I will continue to grow and conquer challenges with the guidance and support of this loving and caring group. Annette Brsnan

Abundant Life Team thank you once again thanks for a brilliant workshop. Lots of love, Wayne Hein
