“THE BODY IS THE HOUSE OF GOD. THAT IS WHY IT IS SAID, “MAN KNOW YOURSELF.” KNOW THE WORLD IN YOURSELF. NEVER LOOK FOR YOURSELF IN THE WORLD, FOR THIS WOULD BE TO PROJECT YOUR ILLUSION. YOUR BODY IS THE TEMPLE OF KNOWLEDGE.”

Life is a filter reflecting your innermost thoughts.

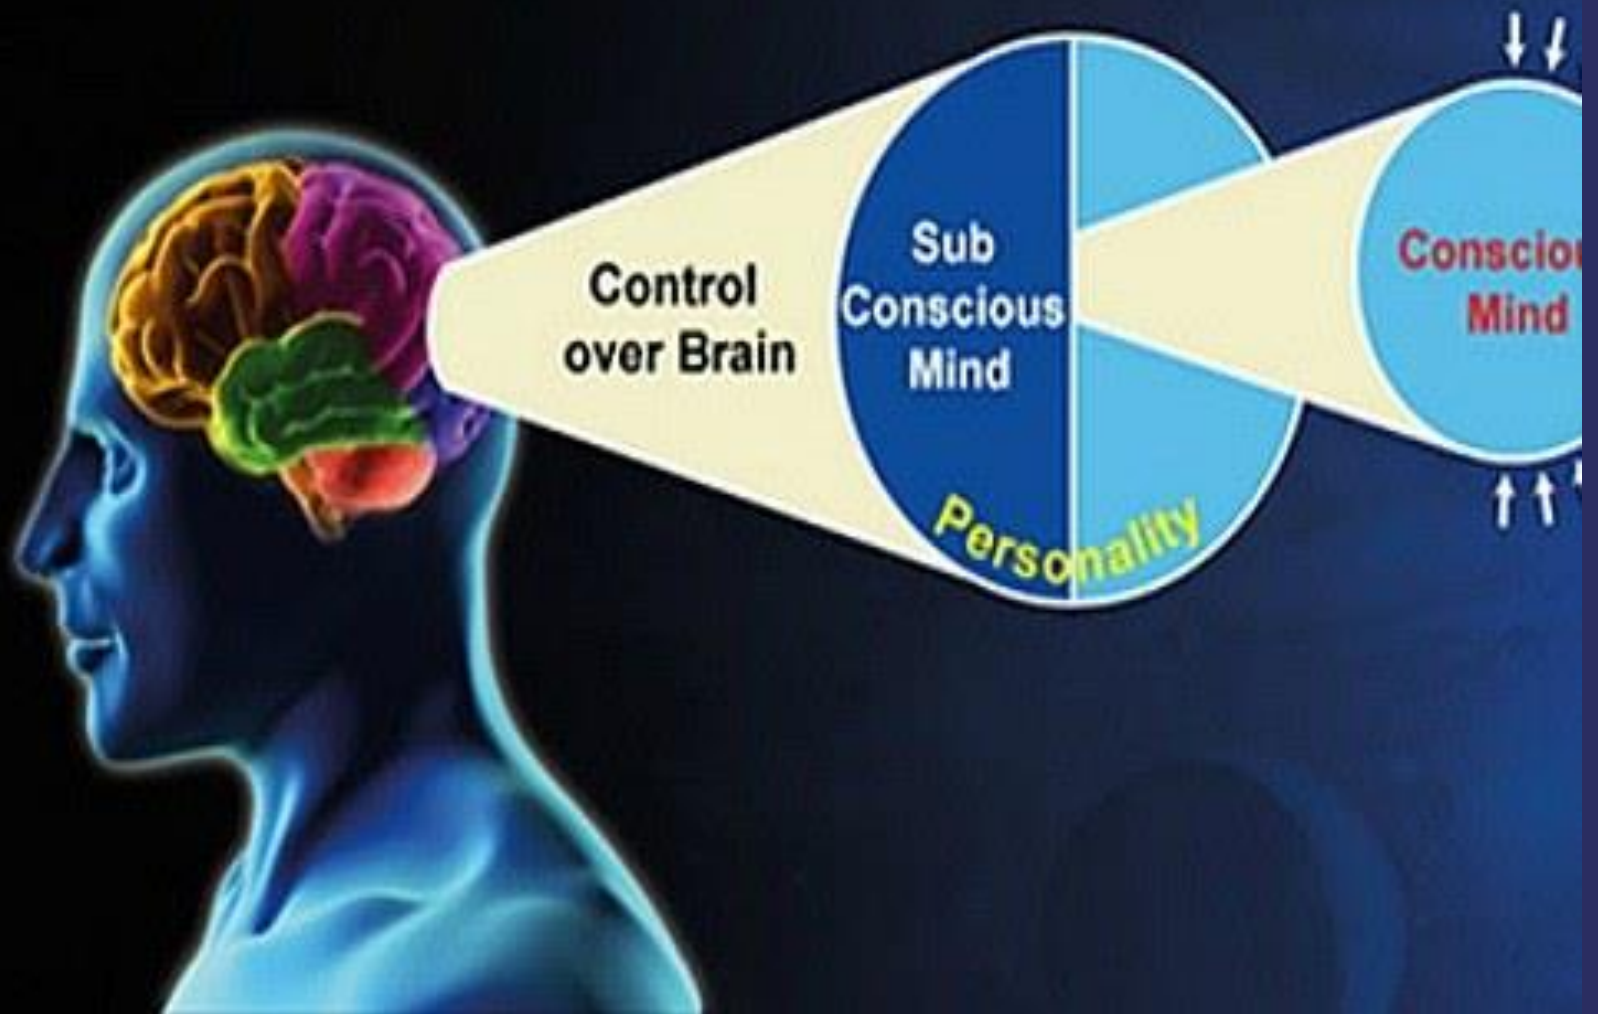

Inner Child and Divine Child shows you the FEARS you are continually projecting on to the screen from the subconscious mind –

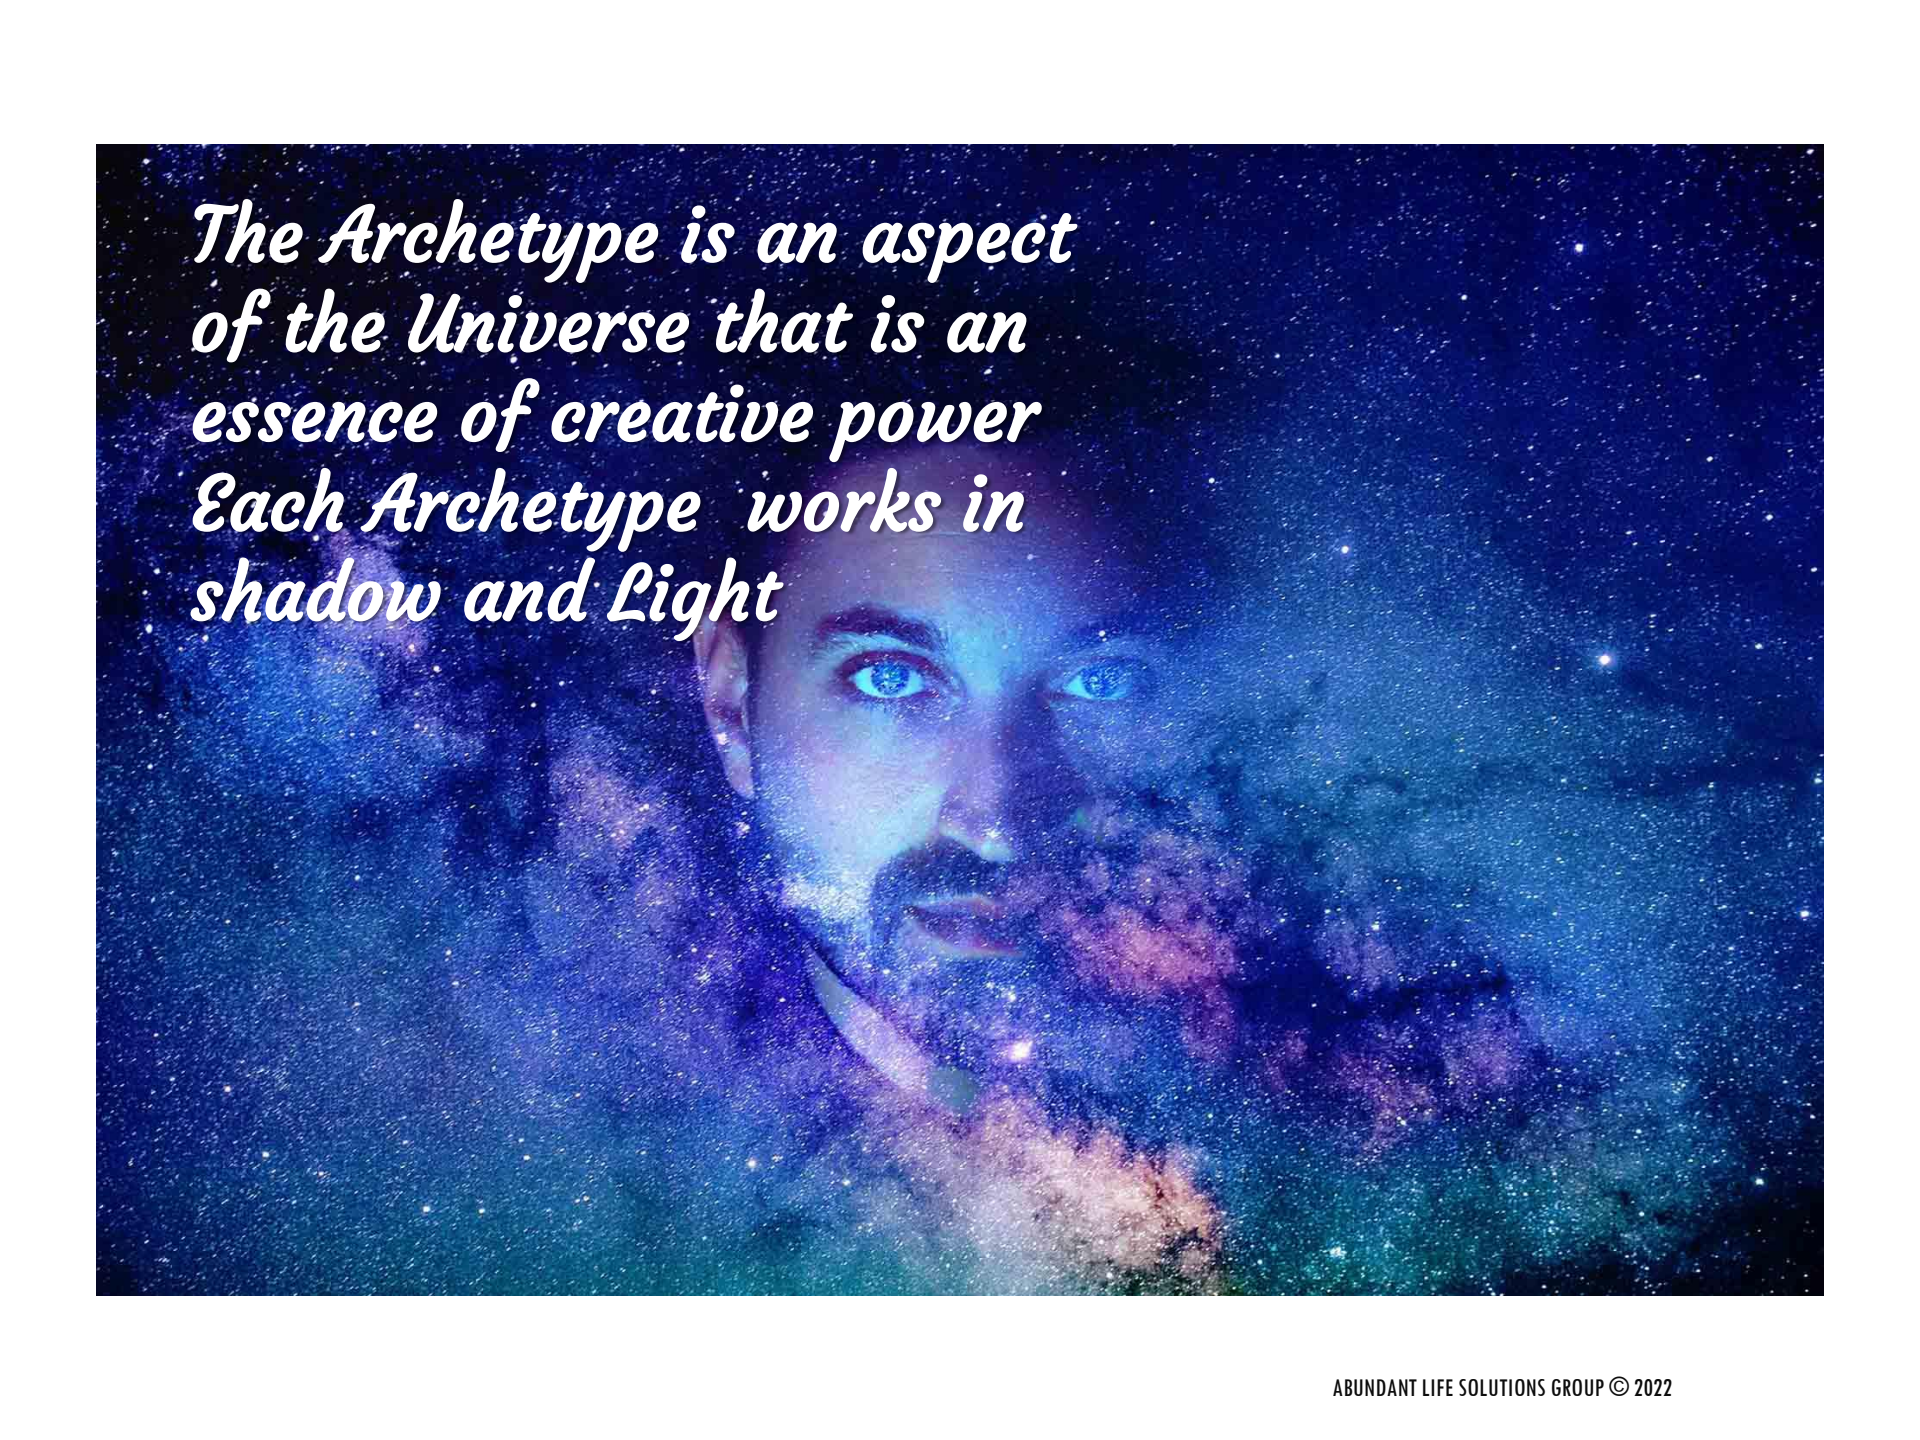

The Castle Trilogy takes you past that into the Sanctuary where the projector is turned off

CONSCIOUS
WAKING
SELF ('EGO')

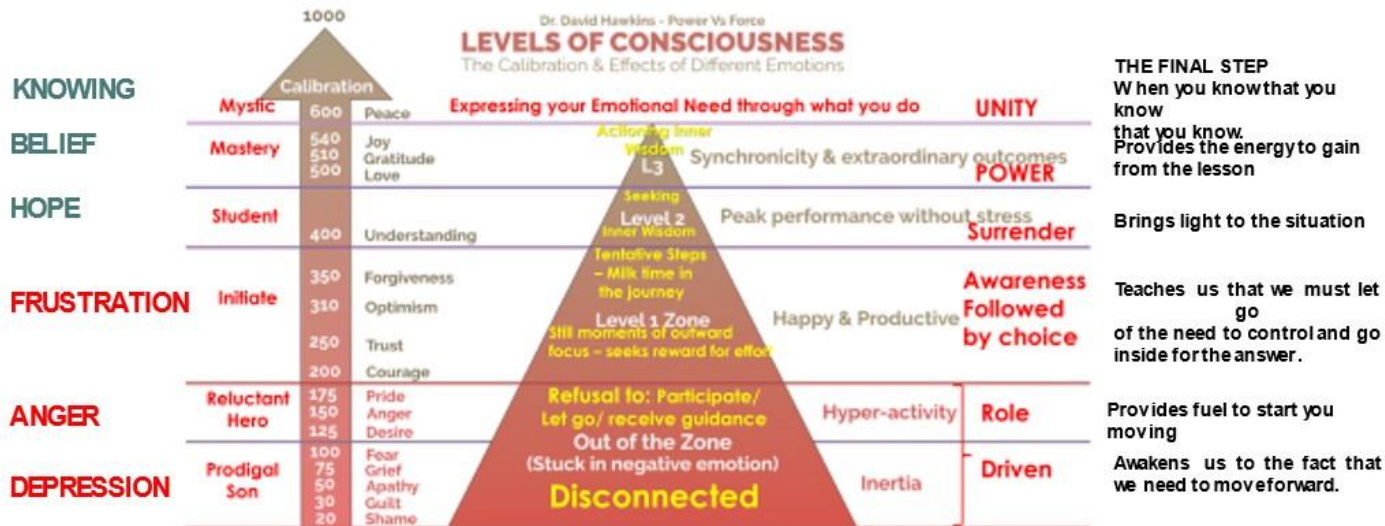

INNER WORLD SEEKING TO MAKE ITSELF
KNOWN THROUGH PROJECTION

It brings form, from the nothingness of the Universe and presents our mind with a picture from which it can build understanding, indention, attention and action

Intention of who you need to Be is an abstract thought – full of possibility – reinforced by the emotion you apply to it and the feeling or frequency you choose to run the emotion and consciousness on.

**Power comes from awareness of energy drain,
Transformation comes from choice**

Pressure is nothing more

Shadow

represents the chaos
– the endless possibility of
expansion or contraction

The Shadow presents you with the opportunity to take charge of your life by drawing to you people, places times and events to mirror back to you your disconnection to Source and forces you to seek a possibility of changing or reframing your beliefs and behaviours

“

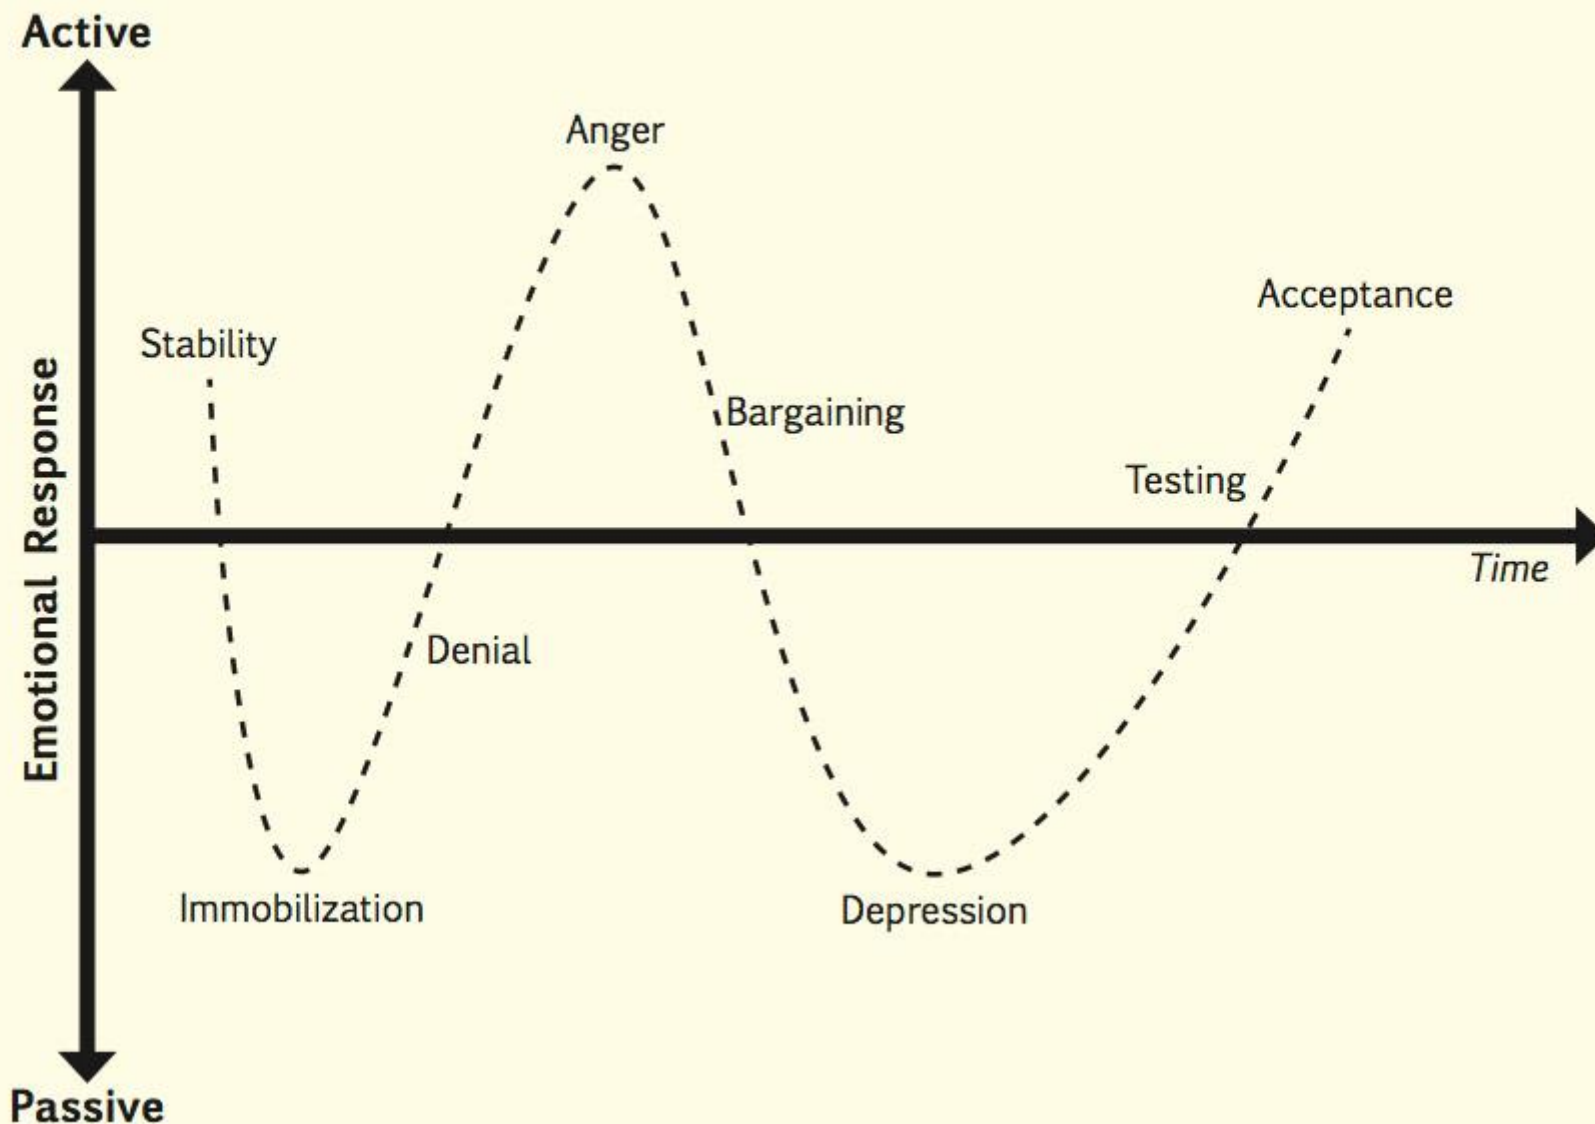

Too many people are
thinking of security instead
of opportunity. They seem
more afraid of life than
death.

As you move closer to the light

**Your darkness is amplified –
your resistance becomes
greater**

STAGES OF RESISTANCE TO CHANGE

**The Light represents the Quantum Field of observed energy
collapsing down
into matter changing the vibration of the Observer**

The Light aspect gives you the solution on how to materialize that change by using the power of choice.

**What is done in darkness
will come to Light**

Once brought into Light you can no longer be unconscious about your motives and behaviours – it then becomes a direct act of will to stay powerless or to take charge of your destiny and choose how you will act
