DEVELOP

EXPRESSION through SENSITIVITY

EMPRESS - manifestation and creation relates to the Triangle and the three-fold energies of the Universe. The Triangle symbolizes manifestation and creative expression on the material plane. The thought of one and the fertility of two result in the creativity of the three. Take a moment to reflect on the love that surrounds you and build on this energy to create even more abundant love in your life. Know that love is limitless. A wonderful affirmation associated with the Empress is, “I bring forth my creations with joy. I love and nurture them to fruition.”

FREEDOM through DEDICATION

THE HIEROPHANT - represents an institutionalised means for accessing the sacred and is the carrier and transmitter of ancient wisdom and religious teaching. He represents a link between us and the Divine and, for this reason. He represents the spiritual teacher who helps us come into contact with the Divine. Unlike the Magician, who simply points the way, the Hierophant is a trusted guide, one who will take us by the hand and lead us to our spiritual goal. He represents a gateway to a higher consciousness reached in a ritualised manner. He teaches that which can be learned by word and example.

CONSOLIDATE

VISION through ACCEPTANCE

THE LOVERS card represents the establishment of a personal belief system and becoming clearer about your own values. This is a time when you are figuring out what you stand for and what your personal philosophy on life is. Having gone through the indoctrination of the Hierophant, you are now ready to establish your own belief system and make up your own mind about what is and what is not important in life. This is also a time when you need to stay true to yourself and be as authentic and genuine as possible.

CONCLUDE

INTEGRITY through WISDOM

THE HERMIT - a phase of introspection where you are drawing your attention and focus inward and looking for answers within. You have a strong need to understand, not just at the surface level but to really know why life is the way it is. The Hermit reflects that your consciousness has moved inward and you now realise that the truth and understanding you seek is within yourself and not in the distractions of the outside world. This is a perfect time to take a step back from your day-to-day life and deeply contemplate your motivations, personal principles and values.
